ABSTRACT

The title page should contain:

(1) The full title, (2) Full name(s) of the author(s), (3) Complete postal address(es) of the affiliation(s) of the author(s), indicating the country in which the work was done. Include an address to which proofs and reprint requests should be sent, telephone and fax numbers and an e-mail address.

The Abstract should consist of no more than 150 words. Please provide about six key words, in alphabetical order, at the end of the abstract.

Material and methods should clearly and concisely describe all compounds and methods used.

A brief note on the statistical methods used to evaluate the results should also be included. The briefest form should always be chosen for all data presented.
